## ONCE IN A LIFETIME LOVE

*Alan Jackson – CD Drive*

*Some people have it and some people don't  
Some people never will  
And sometimes it's hard to know when you've got it  
Sometimes it's perfectly clear*

*Well, I know it's out there, I've seen it happen  
I know the way it should feel  
'Cause there's not mistakin' that good kind of achin'  
Of a once in a lifetime love*

*Once in a lifetime love  
A love like we've all dreamed of  
It may go disguised right before your eyes  
A once in a lifetime love.*

*So if you think you've got it  
If you feel it inside you, don't let it slip away  
You may not ever find what you never  
Thought you'd have anyway*

*And if you've always had it and just realised it  
You know how lucky you are  
To wake up beside what some never find  
A once in a lifetime Love*

*Once in a lifetime love  
A love like we've all dreamed of  
It may go disguised right before your eyes  
A once in a lifetime Love*

*It may go disguised right before your eyes  
A once in a lifetime Love*
